FAMILY CONSTELLATION ALLIANCE

invites you to a half-day workshop

Loved Ones Share Bountiful Blessings

Fall is a time of transition from the warmth of summer into the cold and frost of winter; with each season bringing us its unique blessings. We share experiences of love and gratitude as we enjoy our next Thanksgiving with loved ones and remember the blessings's of Thanksgiving with ancestors who have passed.

Come and join us for a Family Constellation and enjoy the blessings's from the generations who share their love with us and support each of us in our personal journey.
