

Family Constellation Alliance

FULL-DAY WORKSHOP, IN-PERSON

Experience The Blessings of Springtime

Each year we embrace the miracles of Springtime; the leaves, blossoms, baby birds, sunshine and warmer weather to come. We count on these blessings and trust that they will unfold. Come and explore the blessings that your ancestors will share and bestow upon you as the miracles of rebirth unfold.

We welcome you and look forward to your presence and participation. We support the movement that is waiting to unfold for you and your loved ones.

We will facilitate constellations by lottery and plan on 3-4 constellations. Whether you have a constellation, serve as a representative or simply come to observe, being part of this day will bring benefits to you and your family.
